We'll help  
you find it

## If you have a health condition or disability, you may get extra money if:

You are ill and unable to work at the moment.

You have a:

- Disability
- Long-term health condition

That affects how many hours you can work.

You have difficulty doing everyday tasks, because of your health condition.

You need someone to support you.

For more information and to find out what you might get, go to [www.gov.uk/browse/benefits/unable-to-work](http://www.gov.uk/browse/benefits/unable-to-work)
